To The Secretary to the Government of Madras,
Local Self Government(Public Health)----------Department.
Through the President, District Board, South Kanara.

Sir,

In its Resolution No.294 dated dated 8-2-1929, my Taluk Board has upon an application dated 29-11-1928 made by M.R.Ry. K.Narayan Rao, Ayurvedic Physician,"Durga Prasad" Ayurvedic Dispensary, Karkal, resolved to pay a contribution of Rs.100 for the official year 1929-30 in aid of the said Dispensary in order to enable the medical practitioner to administer free supply of medicines to the deserving poor. A copy of the resolution of the Taluk Board to the above effect is enclosed.

The Dispensary is being conducted by one Bhishak K. Narayan Rao of Karkal who appears to have passed in the ~~first~~ first class in the Bhishak Examination of the All India Board

Board of Ayurvedic Education. It is now nearly three years since this Ayurvedic Dispensary is opened in Karkal Town by the said Bhishak. The Dispensary is fairly popular and is being freely resorted to by both the rich and poor on payment. The Medical Practitioner states that he is willing to give free treatment to the poor people resorting to the Dispensary in large numbers, should sufficient encouragement be found by local bodies and the public, and that he is now handicapped as his resources do not permit such a course.

The area of this Taluk Board consists of about 628 Sq. Miles. At present this extensive area is served by one hospital, one dispensary and two rural dispensaries maintained by the Taluk Board. The Taluk is highly malarial in character demanding extension of medical relief to many other important centres. The Taluk Board with its limited resources is unable to open Allopathic or Ayurvedic Dispensaries within its area and therefore proposes at least to give a small contribution to the Ayurvedic Dispensary in question by way of encouragement.

I accordingly solicit that the Government may be pleased to accord sanction to the payment of the contribution of Rs.100 in aid of the above-named Ayurvedic Dispensary with a view to administering free treatment to the deserving poor people resorting to the Dispensary. A copy of set of conditions to be imposed upon the medical practitioner to regulate the proper utilisation of the contribution is enclosed.

I have the honour to be,

Sir,

Your most obedient servant,

President:
Karkal Taluk Board.

K.G.B
